

Bristol & Bath

Overview

With world heritage sites and exclusive shopping, Jamie Oliver and Raymond Blanc, these neighbouring cities appeal to all the group tours tastes. Take a guided tour around the world's finest architecture and engineering, dip your toes in Britain's only natural thermal spa, or shop till you drop. Bristol and Bath have it all, that's why this is one of our most popular weekends away!

On day one, why not indulge in some retail therapy at Harvey Nichols in Bristol's Cabot Circus shopping complex, grab a spot of lunch at Raymond Blanc's brasserie or even step back in time and climb aboard the SS Great Britain. You can choose to take our optional guided tour to the Clifton Suspension Bridge combined with wine tasting in a little known wine cellar if you want to ease yourself into the Bristolian weekend vibe.

On day two, your Glow Group Tour Host takes you to Bath, a World Heritage Site, world famous for its Roman Baths and most recently for the UK's only natural thermal spa. Drink in the delights of the Georgian architecture around the Circus and the Royal Crescent, wander across Pultney Bridge and marvel at the beauty of the Abbey which dominates the city's skyline.
