

Disneyland Paris

Overview

Leave the naughty step at home as your kids will be running riot with Mickey and Minnie. Any naughty business and they'll have Donald and Goofy to deal with! Disneyland Paris is the ultimate playground for little people and the not-so-little people! This is a great family group tour.

Drop thirteen storeys free fall on the Tower of Terror, get launched into the galaxy on Space Mountain, enjoy the merriment of the Pirates of the Caribbean and have love in the elevator with Aerosmith on the Rock 'n' Roller Coaster. The mini ones will really love Toons Studio, Lilo and Stitch and all the bright colours of this fun filled paradise for all the family. Mums 'n' dads, please do not throw yourselves on the floor when it's time to come home...
