

Istanbul

Overview

Istanbul, the real Turkish delight! It is a hedonistic mixture of old and new, where east meets west! It's old city is situated in Europe whilst its more modern areas are located within Asia, these two very distinct parts of Istanbul are separated by the strait of the River Bosphorus. The city's over-abundance of important historic buildings and eye opening new art galleries and museums provides groups with more than enough to see during the day, but it's at night that the place swings into life with the streets bustling with locals and tourists.
