

Las Vegas

Destination

Home of Elvis, show girls, casinos and shotgun weddings. Incentive travel doesn't get much better than this! A trip to Las Vegas wouldn't be complete without a visit to the breath-taking Grand Canyon. Walk across the skywalk, experience the thrills of white water rafting, marvel at the Hoover Dam, or stay in Vegas and shop till you drop and that's just during the day! At night incentive travel groups can go wild, roll the dice in a casino, ride a roller coaster at the top of a skyscraper, can-can across the stage with show girls, see a world class show or they can just simply stroll the strip.
