

Lisbon

Destination

Lisbon truly is one of Europe's little gems. This diverse city is steeped in history and is probably one of the liveliest incentive travel capitals in Europe. The Tagus River runs through the capital and is connected by an exact replica of San Francisco's Golden Gate Bridge, overlooked by Christ the Redeemer.

The Docas area is a vibrant part of the city located on the banks of the river, underneath the bridge. Here you'll find lively bars, salsa bars and trendy restaurants serving world cuisine, ideal for your incentive group. Wander around the back streets of Lisbon on foot or why not travel around on a motorbike and sidecar... Excellent fun for an incentive group!
