

## Marrakech

---

### Overview

Forget those bucket and spade beach breaks that can be summed up on a postcard, Marrakech leaves you with holiday photos that demand further explanation! Situated at the foot of the Atlas Mountains, the imperial city of Marrakech is fascinating, beautiful and full of history! The famous Jamaa El Fna Square is a busy nonstop area that turns into an entertainment and open air restaurant in the evening. Marrakech can cater for all, from visiting the amazing markets, riding out into the desert and mountains to shedding your skin... quite literally... in a hammam (bathhouse). Just a short plane journey away, it is like you have travelled to another world... the hustle and bustle will keep you on your toes and awaken your senses... in Marrakech you will come alive with the sights, sounds and smells!
