

Venice

Destination

Venice is undoubtedly the most beautiful city in the world, from the minute you arrive every single corner you turn is a picture postcard. Take your incentive travel group on a gondola ride around the many canals and marvel at the opulence of Saint Marks Square. Have your picture taken on Rialto Bridge or just simply sit back and people watch on one of the many piazzas. This city has so much history and beauty running through it's canal veins, it is hard to take in!

With direct flights from most UK airports this is a perfect destination for a shorter incentive travel break.
